

Dear Paddler,

Thank you for your interest in enrolling in the American Canoe Association Level 2 Kayak Touring Skills training course on May 23rd, 2026. This course will be taught with skirted kayaks.

This course is (or can be) the first step in becoming an ACA Certified Kayak Touring Instructor. It can also be just a great way to take your basic kayaking skills up a notch, or it can be used to help prepare for the ACA Level 2 Kayak Skills Assessment.
(Note: We are offering the L-2 Kayak Skills Assessment on May 24th 2026)

We will meet you at 157 Mount Hunger Shore Road Windham Maine at 8:00 AM sharp. We have a lot to cover, and your timeliness is appreciated!

This workshop will demand your full mental and physical attention all day. You may be asked to paddle in wind and or river currents. Please come prepared to get wet. To participate in this workshop, you will need to be able to spend several hours in a kayak, have the physical ability to perform self and assisted rescues, and carry your kayak 100 yards over uneven terrain. You should plan to come to this workshop well rested and leave tired. This course will be physically and mentally demanding.

OLTOA will be providing instruction and basic safety equipment. We will spend the majority of the day on the water. Please bring your own snacks, lunch and water each day. To enhance the quality of the program and the safety of our entire class, we ask that you bring all of the equipment on the enclosed bring list. (See below for the bring list) If you are missing something on the bring list, please call us and we will try to help you get what you need. ***This is extremely important! Note: If you are flying to this workshop, and you need to rent a Kayak or equipment, please let us know in advance.***

Please see this website to get familiar with some of the skills we will be covering:
